2. There would, however, be occasions when certain posts are upgraded and higher responsibilties and higher duties are attached to them after they are so upgraded. In such cases the persons neither automatically continue to hold the upgraded posts nor are they eligible to be formally appointed to such upgraded posts. In such cases, the incumbants would have to be considered on the merits of each case for promotion to the upgraded posts. Only after determining eligibility as also suitability of the concerned officers for holding the upgraded posts in accordance with the rules of recruitment (in the absence of rules of recruitment for such cadre, in accordance with the provision in the executive order) they have to be appointed to the upgraded posts. Consultation with the Public Service Commission, would also be necessary if such consultation is necessary. Orders regarding reservations would also apply in such cases. During the period intervening between the date of upgradation and the date of filling the posts in the manner as aforesaid, the persons would have to be treated as being in independent charge of the upgraded posts and would be eligible for charge allowance in accordance with the provision under Rules 32 and 68 of the Karnataka Civil Services Rules.
